REGISTRATIONS FOR THE DODGE COUNTY FAIR IN FAIR ENTRY MUST BE COMPLETED BY JUNE 14, 2019.

4-H FAIR REGISTRATION ON FAIRENTRY

Registration on FAIRENTRY is ***strongly*** recommended.

Fair registration online will open May 16th.

<https://dodge-county.fairentry.com>

At that time, you will have access to your county fair registrations any time you want, using your 4HOnline username and password.

Contact the Extension office if you need assistance with FAIRENTRY.

The fair registration deadline is Friday, June 14th. No changes or additions can be made online after the June 14th deadline.

Paper registration forms can be made available upon request. Please contact the Extension office if you would like a paper copy of the registration form. All paper fair registration forms are due in the Dodge County Extension Office, 721 Main St. N., Dept. 602 Mantorville, MN 55955, no later than 4:00 p.m., Friday, June 14, 2019 or postmarked on June 14. The extension is not responsible for paper forms not received.

Faxed forms must be received by 11:59 p.m., Friday, June 14th, and the original must be mailed in immediately. The Extension Office is not responsible for equipment malfunction or failure.

FairEntry submissions received after June 14, 2019 or paper registration forms received after 4:00 p.m. on June 14, 2019 will not be eligible for county champion/reserve champion placings or state fair, unless a member chooses to use their one-time exemption (if they have not used their exemption already). Members may exhibit at the fair, receive a ribbon placing and participate in the auction, if they qualify. If you have questions, contact the Extension Office at [507-635-6325](tel:507-635-6325).

ELIGIBILITY

Please study this premium book carefully as it contains all rules and other information pertinent to exhibiting as a 4-H member at the Dodge County Fair. You are responsible for adhering to the rules in the premium book. Please note that information provided in the premium book is subject to change at the discretion of the Extension office.

All Dodge County 4-H members (in grades K-13) are eligible to exhibit at the County Fair. All grade levels for 4-H members pertain to grade completed. Members must be enrolled in the project to exhibit in that class. Cloverbuds can enter only in the Cloverbuds class(es).

ARRIVAL & RELEASE OF EXHIBITS

Exhibitors must register in advance through the Dodge County Extension Office using the registration form provided. **The deadline is June 14th.** Items not registered by this deadline will not be eligible for State Fair consideration, Champion or Reserve Champion placement.

General exhibits (non-livestock) will be judged in the 4-H Building on pre-entry day, **Monday, July 15, 2019, 3:00 p.m. – 7:00 p.m.** All general exhibits must remain in place in the 4-H Building until Sunday, July 21, 7:00 p.m.

ALL Animals/Livestock must be in place by no later than Tuesday at 7:00 p.m. Poultry check-ins Tuesday at 7:00 p.m. Sheep weigh-ins Tuesday at 7:30 p.m.

All livestock exhibits will be released on Sunday at 4:00 p.m., except where otherwise specified.

ABSENTEE JUDGING OF GENERAL EXHIBITS

ELIGIBILITY

4-H members who have a conflict with the general project conference judging in their county of membership may be eligible for absentee judging. To be eligible to exhibit a project while being absent from the conference judging process the following must be in place:

- Absence pre-approved with 4-H staff prior to scheduled date of judging (or other county competitive event). The request will be allowed only in extreme situations such as:
Death in the Family
Once in a lifetime educational opportunity
Optional event with no flexibility (e.g. wedding of immediate family)
Illness/injury
- Exhibit(s) at the county fair (or other county competitive event) within scheduled timelines.

YOUTH WITH DISABILITIES OR INJURIES

GENERAL PROJECT JUDGING

If a 4-H member is unable to participate in the conference judging process by himself/herself due to a disability or injury, the 4-H

member and/or the member's immediate family must request permission for a conference judging assistant to be with the 4-H member during the conference judging of the member's general project(s). Arrangements and approval for a conference judging assistant must be made with 4-H staff prior to the beginning of the judging process. First preference for the judging assistant will be a 4-H age-eligible member of the 4-H member's immediate family or another age-eligible 4-H member from the county of membership. In some cases, a parent or personal aid may be appropriate; this option must be approved by the staff member.

LIVESTOCK PROJECT JUDGING SHOW RING

If a 4-H member is unable to exhibit an animal by himself/herself due to a disability or injury, the 4-H member and/or the member's immediate family must request permission for a substitute showperson to help with the exhibition of the 4-H member's livestock project(s). Arrangements and approval for a substitute showperson must be made with 4-H staff prior to the day of the show. The substitute showperson must be a 4-H age-eligible member of the 4-H member's immediate family or another age-eligible 4-H member from the county of membership

STATE FAIR, STATE HORSE SHOW & STATE DOG SHOW INFO

1. Trips for State Fair, State Horse Show, and State Dog Show will be selected from blue ribbon exhibits only (see State Dog Show Rules for exceptions). **Exhibit classes eligible for State Fair are marked with an asterisk ***.
2. Members selected to represent the county at State Fair and State Horse Show **must have completed sixth grade**.
3. **To be eligible for a livestock trip to the State Fair, 4-Hers must have completed Quality Assurance/Ethics Training. State Policy: All youth participating as a State Fair 4-H livestock exhibitor in beef, dairy, sheep, swine, poultry, rabbits, meat goat, dairy goat and lama must have completed the a Livestock Quality Assurance and Ethics workshop. Certification is good for three fair seasons. The level of training required is determined by the grade of the youth at the time the training takes place.**
4. Along with their qualifying state fair exhibit trip(s), 4-H members may participate in activities such as Share-the-Fun, demonstrations, Arts-In, cooking events, animal science educational exhibits, or judging teams.
5. Competitive events, deadlines, consequences and exemption options Every Minnesota 4-H member is eligible for a "one-time" member exemption. This exemption provides the ability (one-time in a 4-H member's career) for the 4-H member to acknowledge they missed a 4-H deadline related to enrollment

or competitive event participation and waive the consequences for the named deadline.

6. Distribution of Unused Livestock Trips: Minnesota 4-H wants to provide as many 4-H members as possible the opportunity to experience the Minnesota State Fair judging process. To ensure that as many youth as possible have the opportunity to participate in a livestock experience at the Minnesota State Fair, staff and volunteers are asked to follow the outlined process for the distribution of unused livestock quota trips.
7. **To accept a state fair trip, please refer to the State Fair Line Up sheets posted near the food stand in the 4-H building. Look for your name in the various project areas and put a YES by your name if you accept the trip and a NO if you will not be taking that project. You must have completed 6th grade in order to be eligible. If your name is listed more than once, you will have to select which building project and which livestock project you want to exhibit, put a YES by those exhibits and put NO by the other things that you qualified for. By doing this, you make it possible for others to get the opportunity to accept a trip. You must accept the trip on the board ASAP or no later than Sunday, July 21, 2019, 12:00 p.m. (It is your responsibility to check the state trip lineup sheets by the food stand in the 4-H Building to identify which trips you are eligible for). If you have not written yes or no by your name by NOON on Sunday, we will assume that the answer is no and the trip will go to the next person.**
8. This year livestock encampment will be Wednesday, August 21 through Sunday, August 25, 2018. Youth have the choice of staying on the grounds overnight or they can come up for their time of judging.
9. Non Livestock Encampment has yet to be determined.
10. Building Encampment includes performing arts, fashion revue, demonstrations and Share the Fun. Dates are yet to be determined
11. Costs of State Trips: State Fair trip – \$60 program fee for Livestock encampment. \$50 program fee for General Encampment. \$35 for Share-the-Fun etc. This year Dodge County 4-H is paying ½ of State Fair fee if 4-Her works a full shift in the 4-H food stand, including 2-3 meals per day provided by 4H food stands, 4-H lodging and program fee. ONLY if using 4-H meals and lodging. **Dodge County 4H will only pay ½ of State Fair Fees if the 4H member works an entire shift in the 4H food stand.**
12. Getting animals to the State Fair is each member's responsibility unless as a group a decision is made to provide a commercial hauler.
13. State Horse Show is September 13-16, 2019. There are no overnight accommodations for this show. The program fee is about \$60, and the classes cost \$15/class. If the member is not taking a horse (horseless, demo, judging team, etc.), you will

only need to pay the program fee of \$35. Dodge County pays ½ of the program fee and class fee (s)

14. State Dog Show dates are tentatively September 21-22, 2019. The program fee is about \$60, Members need to pay 1/2 for each class they participate in.
15. State Trip Exhibitors Meeting

All State Trip Exhibitors including livestock, building, horse and dog exhibitors will need to have their registration packet completed with payment to the 4-H office at the fairgrounds before Sunday, July 21 at 3 p.m. We will be holding a Mandatory State Fair meeting on Thursday, August 1st, at 6:30 p.m. in the Dodge County Commissioners Board Room. State Fair exhibitors will receive IMPORTANT information for their State Fair Trip. If youth or parent is not at this meeting, they forfeit their state fair trip. This includes ALL livestock and non-livestock State Fair trip winners.

State Fair registrations must be turned in to the 4H Fair Office and paid for by 3:00 P.M. on Sunday, July 21, 2019.

State Fair livestock exhibitors are expected to fully participate in the state fair experience. Livestock exhibitors must be present for their judging experience PLUS be present to care for their animal. They will only be allowed to leave the fairgrounds for more than 24 hours with permission from the 4-H Program Coordinator and/or 4-H Regional Extension Educator.

For recommended weights for State Fair market animals check under that specific animal species.

All blue ribbon winners advance from the County Fair Dog Show to the State Dog Show. To be eligible the 4-H member must have completed 4th grade through one year past high school. State Dog Show divisions will be grades 4-8 for junior and grades 9-13 for senior.

Check specific rules under your specific exhibit page.

PARTICIPATION AGREEMENT & CODE OF CONDUCT

All Dodge County 4-H members are expected to abide by the following guidelines when participating in all 4-H sponsored events during the 4-H year, including the Dodge County Fair.

PARTICIPANT AGREEMENT:

Any individual participating and/or volunteering with the Minnesota 4-H program at any level (individual, club, county, regional, state, national and international) is subject to the behavior standards and

rules governing participation and involvement as outlined in the Minnesota 4-H Code of Conduct.

The opportunity to participate in and/or volunteer with Minnesota 4-H is a privilege and honor, not a right. All youth participants, parents/guardians supporting their child's participation in 4-H, and volunteers are expected to sign the Minnesota 4-H Code of Conduct before becoming involved with Minnesota 4-H. Continued participation in Minnesota 4-H is based on individuals meeting the requirements of the program including the Minnesota 4-H Code of Conduct.

Infractions to the Minnesota 4-H Code of Conduct will be addressed and may result in consequences. Because Minnesota 4-H is a safe place for youth and adults to learn from their mistakes, minor disruptive or inappropriate behavior will first be addressed through redirection and coaching. When the nature of the offense is more severe or there is a pattern of minor disruptive or inappropriate behavior, violations of the Minnesota 4-H Code of Conduct will result in consequences. The consequences may range from a verbal warning to the loss of privileges (e.g. participation at the event or future events, forfeiture of awards or other forms of recognition, forfeiture of positions of leadership, limitation on volunteer responsibilities) to full removal from Minnesota 4-H. Consequences may be applied to entire 4-H entities, when applicable.

CODE OF CONDUCT FOR YOUTH

I understand that the Minnesota 4-H Youth Development program is a non-formal education program in which I have an option to participate. I accept my responsibility to engage in program activities and to excuse myself from this program if it does not meet my personal learning objectives. I recognize the organization has the responsibility and authority to remove youth who are disruptive to the 4-H Youth Development program or for any other reason the 4-H Youth Development program deems appropriate.

I accept my responsibility to represent the University of Minnesota Extension 4-H Youth Development program by holding myself to the standards of the 4-H pledge and motto. I will refrain from behavior that negatively represents myself, my family, my community, 4-H or the University of Minnesota.

I acknowledge that the 4-H program utilizes competition related to project work as a tool for learning. I will ensure that my project exhibits are appropriate and respectful. I will demonstrate good sportsmanship, encourage this behavior in others, and not allow this behavior to detract from the learning experience. I will not let my personal desire to win overshadow the needs of the group.

I accept my personal responsibility to be informed and follow the policies, rules, and deadlines established by Minnesota 4-H. I will not cheat, lie, knowingly furnish false information, deceive, or otherwise engage in dishonest, unethical or illegal behaviors. I will not encourage others to disregard or intentionally violate conditions of Minnesota 4-H participation.

I will act in a respectful and responsible manner during all 4-H programs. I will comply with directions of 4-H officials acting in the performance of their duties. I will not obstruct or disrupt any 4-H

program or encourage others to engage in such conduct. I understand that a judge's decision is final.

I will promote a spirit of inclusion and welcome participation of individuals from all backgrounds. I will practice fair-mindedness by being open to ideas and opinions of others. I will comply with equal opportunity and anti-discrimination laws. I will not participate in behaviors that discriminate against other people.

I will communicate (oral, written and electronic) in an open, honest, respectful manner in all situations involving the 4-H program. I will refrain from communication that is negative, offensive, destructive or hurtful to others. I will refrain from sharing private matters in a public group setting. I will not engage in or tolerate slander, put-downs, insults, taunting, name calling, yelling, profane language, sexual innuendos and other comments or hostile behaviors likely to offend, hurt or set a bad example. If I witness is type of behavior, I will contact a volunteer or staff member. If the situation is escalating to where I feel unsafe, I will contact the authorities.

I will ensure a safe environment for myself and others. I will not act in an irresponsible or potentially hazardous manner. I will access and operate machinery, vehicles and other equipment in compliance with laws, rules of the 4-H program, and general safety practices.

I will make healthy choices. I will not possess, offer, or use tobacco, alcohol or illegal substances. I will not attend 4-H programs under the influence of alcohol or any illegal substance. I will not engage in sexual conduct with adults or inappropriate sexual conduct with other youth.

I will dress in a manner that is appropriate, tasteful and respectful to me and others. I will avoid clothing and accessories that depict violence, sex, drugs, alcohol, tobacco, death, gangs or other offensive or obscene pictures or language. I will not wear clothing that reveals my underclothing, midsection, torso, chest, cleavage or upper thighs. If a dress code is provided for a specific 4-H program, I will follow the stated dress code.

I will respect the property of others. I will not use, abuse, or take another individual's personal belongings. I will not damage facilities.

I will abide by the University policy on possession and carrying of weapons (firearms or other dangerous weapons as defined by Minnesota law.) I will not possess or carry a weapon while on University property or during attendance at a 4-H program, regardless of location, except in the following two circumstances:
 (1) I am lawfully storing a firearm inside a personal motor vehicle; or
 (2) I have been authorized by the 4-H program to possess and carry firearms at 4-H Shooting Sports/Wildlife programs.

I will use appropriate channels within the University of Minnesota Extension to address concerns and conflicts, working towards resolution. I will accept the decision of the individual and/or group with leadership and authority to make the decision even if the decision is not the one I personally desire.

I will demonstrate behaviors appropriate as a positive role model. If I have a guest or guests in attendance at a 4-H program, I will encourage them to abide by the Minnesota 4-H Code of Conduct. I recognize that if the guest's behavior interferes with the learning, my guest may be asked to leave the 4-H program.

CLOVERBUD INFORMATION

Extra information for Cloverbuds may be found at this link
<https://extension.umn.edu/current-member-information/understanding-4-h-policies#cloverbuds-1612260>

EXEMPTION, GRIEVANCE & APPEAL PROCESS

Outline of consequences can be found on the inside of the back cover.

MEMBER EXEMPTION

Minnesota 4-H has implemented a "member exemption rule." The purpose of this exemption is to provide every 4-H member with the ability "one-time" during their 4-H career to acknowledge that they have missed a 4-H deadline related to enrollment or competitive event participation and waive the consequences for the named deadline. The exemption is per 4-H member.

The exemption may be used only one time in a 4-H member's career. If a family misses a deadline for all eligible children, the family may choose to use the exemption for each child, or they may select which children would utilize their exemption at this time. This allows families to have choice in whether to use the exemption for a child now or to save the exemption for a potential future situation.

The [competitive events, deadlines, consequences and exemption options](#) table outlines the state and county 4-H individual competitive event deadlines, consequences applied to each situation/deadline, and the use of the one-time exemption to remove all consequences for a single situation/deadline.

Youth who wish to claim the "one-time" exemption may obtain the appropriate form from the Extension office in the county of membership. Timeline for the filing of the exemption form is outlined on the table. Process for rule violation or alleged wrongdoings.

GRIEVANCE PROCESS

Information on the Grievance process may be found at:

https://docs.google.com/document/d/1iUrhphprVBxltwfA3I_H8g8BOUV3DwI9MXc1_TSsl/edit

UNREGISTERED EXHIBITS

On entry day, if you bring an exhibit that was not indicated on your registration form, the exhibit will be given a hand-written card, it will

be judged and given a ribbon, your exhibit will not be eligible for Grand Champion, Reserve Champion or State Fair Line-Up. If you have questions, don't hesitate to call the Dodge County Extension Office, at 635-6325

CONFERENCE JUDGING FOR GENERAL EXHIBITS

Meeting exhibition requirements of the local County Fair Board/Agricultural Association and the 4-H Youth Development Program from 4-H exhibit entry day through release time:

If exhibition requirements are not met (and permission is not granted by 4-H Program Staff), youth will not be eligible for all show related premiums, awards, and participation in the state event. (Auction participation is a county decision.) Approved early release is an exception to the rule and becomes a 4-H staff and fair board decision based on each situation.

Members may exhibit, demonstrate, or take part only in projects in which they are enrolled. All work on projects entered should be done by the 4-H member and completed during the current 4-H year unless otherwise noted.

Poster exhibits may not exceed 22" wide x 28" high. They may be smaller.

Education/Science Tri-Fold Exhibits for all project areas may not exceed 12" deep x 24" wide x 36" high. (Center back 24" wide x 36" high, right and left wings each 12" wide x 36" high.)

All exhibits will be evaluated by a conference with the judge. Project judging criteria:

| | |
|----------------------------------|-----|
| Exhibit quality | 25% |
| Educational value | 25% |
| Knowledge and ability to explain | 50% |

Decision of the judge is final and may not be appealed.

Floor Space for any exhibit should not exceed 20 square feet. If your exhibit exceeds this space limitation, contact the Extension office.

All exhibits must be labeled with name, club, and county. Other appropriate information for the project (i.e., vegetable varieties) should be included. If the exhibit has multiple pieces, each part needs to be labeled and should indicate 1 of 4, 2 of 4, etc.

Copyright Law and Infringement:

Copyright is a form of protection given to authors and creators of "original work. Original work includes a person's ideas captured in writing or as an image, photograph, song, audio recording, or visual recording.

All original work – including information found on the web – is subject to copyright protection. The author/creator has exclusive rights to reproduce, distribute, display, perform or make derivative works.

Before using another person's work a part of your 4-H exhibit, be sure that the work is subject to fair use, has a creative commons license or that you have requested and received permission (in writing) to use the original work. If an exhibit infringes on copyright law, a decision may need to be made to remove the exhibit from display at the county or state fair.

ANIMAL SCIENCE EXHIBITS

LIVESTOCK JUDGING

4-Hers and their animals are judged differently than general projects. During the species show, the judges will be looking mainly at the animal being shown. The quality of the animal should be a reflection of your care and training of the animal. You will be awarded a ribbon (blue, red, or white) based on the quality of your animal. Grand Champion, Reserve Champion, and Honorable Mentions will also be given to outstanding animals. During showmanship, you will be judged on how well you lead the animal and you may be asked questions about your animal (how you care for it, what the different parts are). All showmanship participants will earn a participation ribbon. Grand Champion, Reserve Champion, and Honorable Mentions may also be given out.

GENERAL INFORMATION

1. All animals except sheep and poultry must be in place by 7 p.m. Tuesday, July 16, 2019. IDs: All beef, dairy, dog, goat, horse, rabbit, and sheep shown in 4-H livestock shows must have the required State 4-H ID system, ear tag, and/or tattoo. **Animal ID data must be submitted online, arrive in the extension office, or be post marked no later than May 15 (with the exception of market Beef due Feb 15)** Poultry will receive leg bands at fair check-in.
2. All animals exhibited must be owned solely by the member, member's family or leased by agreement. The family includes the 4-H'er's parents or guardians and siblings living together as a family unit. The definition of family includes an extended family where the animals may be owned by grandparents with the 4-H'er's parents actively involved with and working on the farm. **Animals owned in partnership with non-family members (as defined above) must be leased and follow guidelines within the lease information.**
3. Registered animals, not leased, must be registered in the exhibitor's name and/or the exhibitor's family name.
4. Registered animals that are leased need to provide registration papers and a lease agreement showing the owners information on both sets of paper work.
5. Registration papers must be provided at the time animals are checked in at the county fair on July 16, 2019.
6. **4-Hers exhibiting livestock at the County Fair are responsible for the care and feeding of animals they exhibit.**
7. All livestock exhibits must be pre-registered. Members in animal projects may exhibit one animal per class, unless stated otherwise in the Class description.
8. All 4-H'ers exhibiting livestock at the fair are eligible to participate in showmanship except cloverbuds. 4-H'ers must show their own animals.
9. All grooming of livestock, including clipping, trimming and manipulation of hair/wool (such as blocking on sheep, pulling up hair on beef and working up top lines on dairy) must be done by the exhibitor, members of the immediate family or a livestock resource chosen by the 4-H family. Immediate family members are defined as being parents, step-parents, legal guardians, brothers or sisters. **A livestock resource is defined as someone who is working with the 4-H'er/4-H family to help them learn management, and fitting and grooming skills in**

their project area. An identified livestock resource person would be allowed to work with the 4-Her and their family during the fitting and grooming process to guide and teach these skills. The 4-Her exhibiting the animal should be present and involved in the fitting process at the county fair. Exhibitors in violation of this rule may show for ribbon only and will not be considered for championship, State Fair trips, or auction. The exception is Cloverbuds – see Cloverbud rules

10. To show in the registered breed classes, animals must meet the registration requirements for that breed and registration papers must be available. Animals without proper registration papers (crossbreeds and grades) must be shown as commercial.
11. All animal health regulations will be in effect as stipulated by the Minnesota Board of Animal Health and the County Agricultural Society
12. Livestock Quality Assurance and Ethics training certification is required for 4-H members to be considered for State Fair line-up in the following species: Beef, Dairy, Sheep, Swine, Goat, Poultry, and Rabbit.
13. Final weighing of all market livestock competing in rate-of-gain will be done on Wednesday July 17, 2019 between 1 and 4 p.m. All market animals must be weighed as they come in. Weights will be used to determine rate-of-gain.
14. There will be no switching of animals to other siblings once an animal is checked in at county fair. Once an animal is checked in, it is tied to the member listed throughout county and state fair. There can be NO change after check-in. NO exceptions!
15. Exhibitors must bring their own equipment, grain, hay, and bedding. Initial shavings for poultry will be provided, but exhibitors will need to bring their own for the remainder of the fair. Rabbit shavings will be provided.
16. Awarding of Champion and Reserve Champion is at the discretion of the judges. Not every eligible division will have a Champion and/or reserve Champion awarded. **Judges decisions are final and not eligible for appeal.**
17. Members must register for Rate-of-Gain on your county fair registration form. All weights will be taken on entry day of the Fair. In order to be eligible for rate-of-gain, animals must have been identified and weighted initially by Feb 15 for Market Beef and by May 15 for Market Sheep or Goats. All animals registered under rate-of-gain must also have been registered to exhibit under the appropriate species.

LEASED ANIMALS

The following animals may be leased: breeding beef (heifers and cow/calf pairs), breeding ewes, dairy cattle, dairy goats, rabbits, dogs, and horses. Under the lease agreement –

The owner agrees to:

1. Retain title to the leased animal at all times.
2. Assume all legal responsibility as owner of the leased animal and not hold the Lessee liable for any injury to the animal or loss by death, except due to negligence on the part of the Lessee when animal resides on owner's premises.
3. Bear all expenses normally incurred in raising such an animal.
4. Not exhibit the animal during the time this contract is in effect.

5. Provide paper work for registered animals showing proof of ownership.

The 4-H Lessee agrees to:

1. Be responsible for care and management of the leased animal for the term of the contract.
2. Not allow any other individual, including the owner, to exhibit the animal during the time this contract is in effect. If this occurs, the 4-Her must give up all county and state awards.
3. Pay all expenses of transporting and/or exhibiting the animal. The Lessee may keep any premiums or awards earned while exhibiting the animal while the contract is in effect.
4. On request of the owner, breed or attempt to breed the animal at the owner's expense. The offspring shall be the property of the owner who shall take possession of it at an agreed upon age.
5. Be responsible for the animal and carry liability insurance on it while the contract is in effect, if the animal is raised on the Lessee's premises.
6. For registered Dairy animals, provide registration paperwork, as well as a lease agreement at the time animals are checked into the fair. State Fair requires registration paperwork on all livestock.

Exceptions to the above rules:

1. 4-H dairy and goat animals may be leased if they are non-milking animals or previously leased as a calf, yearling, or kid project by the same member.
2. A leased dairy animal cannot be shown at any state breed show or state fair open class dairy show while the lease is in effect.
3. Dog & Horse – Refer to the appropriate ID & lease forms.
4. Animals that cannot be leased are: market beef, dairy steers, market goats, rabbit fryers or meat pen, market lambs, and all swine.

HERDSMANSHIP

Judging begins Wednesday 6 p.m. and continues through Saturday 6 p.m. and can happen at any time, other than during the species' show time frame. Members need not be present for judging, but it should appear that animals and equipment are taken care of at all times.

Each club will compete in the Herdsmanship Contest. Herdsmanship winners will be announced at the awards banquet in November.

Judging will be based on:

1. Appearance and care of animals
2. Arrangement of exhibit
3. Cleanliness of aisle/stall
4. Exhibitor interactions

LIVESTOCK HEALTH REQUIREMENTS

- All animal health regulations as stipulated by the Minnesota Board of Animal Health and the County Agricultural Society will be in effect. Local veterinarians have authority over all health aspects of animals at the fair.
- It is your responsibility to contact your personal choice of veterinarian and have the appropriate tests and health papers for exhibiting. Be sure to contact your vet at least two weeks

prior to the fair. If you have questions, call the Extension Office or your local veterinarian.

- All livestock will be inspected by the official fair veterinarian on opening day and daily during the County Fair. The official veterinarian will order the immediate removal from the fairgrounds of any livestock with symptoms of infectious or communicable diseases, including ringworm, warts and fungus. A statement from a veterinarian that an animal is being treated for these diseases is NOT acceptable.
- See specific species for further guidelines.

LIVESTOCK AUCTION

4-H LIVESTOCK RIBBON AUCTION

For the past 50+ years the Dodge County business community and friends of 4-H have been supporting the efforts of Dodge County 4-H program by purchasing duplicate ribbons at the Dodge County 4-H Ribbon Auction of 4-H members exhibiting livestock at the County Fair. This year buyers will be invited to enjoy a breakfast buffet that will be served from 8:00 a.m. to 9:00 a.m., followed by a welcome and orientation with the Ribbon Auction starting at 9 a.m. on Saturday at the Livestock Show Arena. Proceeds from this auction are shared with 4-Hers through scholarships and with the Dodge County 4-H program and the Dodge County Fair Board to help maintain the building that 4-H uses to house the livestock. This revenue generates more than one half of the revenue used by Dodge County 4-H to provide programming for more than 300 members in the program.

Ribbon Auction Scholarships in the amount of \$500 are available to 4-Her's who are Juniors, Seniors or one year past high school to be used for some kind of educational purpose. Applications can be obtained from the Extension Office and must be completed and submitted by June 14th of 2019 to be considered. Five scholarships are typically given out each year. Youth may only receive this scholarship one time through their 4-H career.

EXHIBITOR RULES

1. Members are to have their animals well groomed. Members should also be wearing clean clothes and look "show ready" themselves for the Auction. Exhibitors are to be ready by 8:30 a.m. for the Auction. Out of respect for the buyers, the Ribbon Auction will begin promptly at 9:00 a.m.
2. Members may auction one exhibit ribbon. Exhibitor will sell duplicate ribbons of the Grand Champion, Reserve Grand Champion of each of the major divisions and sex (barrows and gilts, etc. The Dairy Production winner will sell their ribbon as Grand and Reserve Grand Champion Dairy Production. All ribbon colors will be included in the sale for 4-H. **No showmanship or Cloverbud ribbons will be sold at the auction.**
3. **Exhibitor Registration** - Once you have completed your livestock showing, you need to tell the Extension Office Staff and/or volunteers what ribbon you will be selling. **Members wishing to participate in the 4-H Ribbon Auction must notify the 4-H office before 5:00 p.m. on Friday, July 19, 2019.**
4. Members and animals which ribbons were awarded to must be present to sell their ribbon. If member is not lined up and ready

to enter the arena with the others, in proper order, the member will be disqualified.

5. All participants are required to turn in a written thank you note to the buyer prior to receiving a ribbon auction check. Thank you note/pictures will be available between 11 a.m. and 2 p.m. on Sunday at the 4-H office. Checks will not be distributed until all auction money has been received. This can take 2 or more months after the county fair. ***New in 2019: Any member who will receive \$600 or more must fill out a W-9 tax form at the fair along with their thank you notes before they will be eligible to collect their ribbon auction check***
6. Ribbon Auction Scholarships will be awarded at the Ribbon Auction

RIBBON AUCTION BUYERS BREAKFAST

A free breakfast to buyers will be served by 4-H on Saturday morning 8:00 a.m. Buyers will register and get a number as they come. The rules will be presented along with a short orientation following the breakfast. It is very important the 4-Her's invite business people, family members and friends to attend the buyers breakfast.

Sale Order and Procedure

The order of the sale rotates every year.

This year the order is as follows:

1. Horse
2. Sheep
3. Beef
4. Rabbit
5. Poultry
6. Swine
7. Dog
8. Dairy
9. Goat

**A committee representing 4-H Ribbon Auction will rule on any Ribbon Auction interpretations and exceptions.

4-Hers are guaranteed the following amounts for all livestock species.

| | |
|---------------|-------------|
| Overall Grand | 70% of sale |
| Reserve Grand | 60% of sale |
| Blue | 50% of sale |
| Red | 50% of sale |

Exhibit Suggestions:

- Working electrical item constructed for home, yard, or farm.
- Diagram of wiring in your home/farm showing switch locations, fuse boxes, wire size, capacities, fuse sizes, total bulk wattage, appliance wattage, number of circuits, and type of wiring installation.
- Electronic item built from kit, plan, or own design with an explanation of what it is and how it is used.
- Display ideas: Careers in electrical field, electrical experiment (may or may not have worked), educational display used in teaching others, etc.

ENGINEERING DESIGN

✿ Judging Monday, July 15, 2019

Requirement:

- Include description of the problem/challenge being solved
- Include description of the **engineering design** process/steps undergone to solve problem

Exhibit Suggestions:

4-H members should use the 4-H Engineering Design Process: Ask, Imagine, Plan, Create and Improve as they work on their 4-H projects

- Engineering a roller coaster – Use KNEX or other materials to engineer and create a roller coaster
- Engineering a bridge – using everyday items create a bridge to sustain 5 pounds of weight
- Engineering a catapult/trebuchet – using everyday items to create a machine to launch a marshmallow 3 feet and no longer than 5 feet
- Engineer a wind turbine to solve a problem (example: using the wind energy to lift a bucket)
- Thinking like an engineer – brainstorm an idea, create a model, test it and document the process from beginning to end and share your findings on a display board, poster or three ring binder
- Using everyday items to build a simple machine to complete a simple task
- Using everyday items to create a product to solve a real life situation
- Display, binder, poster illustrating the process of doing the activity/project
- Exhibit of engineering design product
- display, binder, poster, webpage exploring a related career

ENGINEERING DESIGN CHALLENGE LEVEL 1 & 2

Engineering Design Challenge Team Member:

Level 1 - grades 3 -8.

Level 2 grades 7 - 12.

Each member (regardless of age) needs to register in one of these classes.

An Engineering Design Challenge machine is based on Rube Goldberg, an overly complex contraption designed to accomplish a simple task. The best machines use a variety of everyday items to create a series of chain-reaction steps to accomplish a simple task. In the project, youth not only employ physics and engineering, but humor and storytelling, to create their machine.

This activity is a team event of at least 3 and no more than 10 members.

Requirements:

1. Please refer to the Engineering Design Challenge Level 1 and 2 Handbooks at z.umn.edu/4hedc for complete details.
2. Teams of at least 3 youth
3. Minimum of 10 steps
4. Machine must operate in 2 minutes or less
5. Exhibit physical size limited to 6 ft x 6 ft x 6 ft
6. Explain one thing/step on the machine that uses science content and skills to help solve a problem/challenge
7. Need to keep a written record illustrating the process of doing the project.

Exhibit Suggestions:

- Engineering Design Challenge machine itself
- Display, binder, poster illustrating the process of the doing the activity/project

Note: In 2019, the State Engineering Design Challenge for Level 1 and 2 will be held at a site other than the State Fair. However, challenge teams are invited to showcase their machine and project at the State Fair. Participants can also have other general projects judged.

ENTOMOLOGY

✿ Judging Monday, July 15, 2019

Requirements:

Insect Collection exhibits:

- A. Collections shall be contained in a glass topped case; approximately 19" x 16.5" x 3" to 24" x 18" x 3" (drawers available for purchase in varying sizes). Arrange so that the case may be displayed in a horizontal position. Place project label on lower right corner of glass top. Only one case per exhibitor is allowed.
- B. Specimens must be collected. Purchased insects are not acceptable.
- C. Exhibitors must be the collector of the specimens in the project.
- D. Specimens must be properly pinned with insect pins. Small insects may need to be placed on cardboard points.

E. Specimens must be properly labeled.

- 1) The location, date, and collector must be included on the labels. County and state (and country, when applicable) are minimum location information that should be included. It is valuable to include nearest town or township where the specimen was collected, the type of habitat it was collected from (e.g. on elm tree; on lake shore; indoors.), and the common name of the insect.
- 2) All labels should be visible so they can be read. Use permanent ink marker or pencil to write labels. Labels produced by a computer printer are acceptable. Ballpoint ink or non-permanent markers are not acceptable.

F. For more specific information on pinning, labeling, and other information, see Collecting and Preserving Insects, FO-6892.

Non-Collection Project exhibits: A MN 4-H Entomology Resource, www.4-h.umn.edu/projects/entomology

- A. Emphasis of project must relate to an aspect of entomology.
- B. Project must demonstrate specific knowledge of insects. Be prepared to discuss references and sources (e.g. books, magazines, internet, interviews with an expert etc.)
- C. Live projects (e.g. bee or ant colony) will be accepted if the project can be self-sustaining for up to 14 days without special care.
- D. A written report or journal should accompany the project, introducing the subject, describing the process (materials and method), predicting an outcome, stating the results, and discussing any conclusions. Pictures, drawings, charts, tables, or other figures may be used.

Exhibit Suggestions:

1. General Insect Collection: must consist of a minimum of 50 species of adult insects representing at least 8 orders.
2. Specialty insect collection can include but is not limited to a collection of a single order (e.g. Coleoptera or Lepidoptera), a collection of immature insects, a collection of insects from a particular habitat (e.g. aquatic, forest, or prairie) or a collection of economic pests of a specific crop (e.g. insects attacking corn).
3. Non-Collection Project can include but is not limited to life history displays (e.g. insect life cycle), scientific investigation (e.g. insect habitats or effects of environment factors on insects), or insects in current events.

EXPLORING ANIMALS**✿ Judging Monday, July 15, 2019**Requirements:

- This area is for 4-Hers who wish to learn more about a given species. **Animal ownership is not required.**
- 4-Hers enrolled in Exploring Animals, Beef, Dairy, Goat, Poultry, Rabbit, Sheep or Swine may exhibit in this category.

Exhibit Suggestions:

- An educational exhibit to show or explain something 4-H'er made, did, learned, or may explore consumer issues, breeds or careers.

EXPLORING THE ENVIRONMENT**✿ Judging Monday, July 15, 2019**Exhibit Suggestions:

- Display on environmental pollution describing the causes, effects on people and other living things, and methods to correct the situation.
- Display showing features of soils such as color, structure, texture.
- A display or journal of Minnesota plants, insects, animals, birds or fish. Include pictures or drawings and information on habits, foods, and shelter needs.
- Display showing erosion control practices such as minimum tillage, terraces, contour strips, grassed waterways, field windbreaks, water control structures, etc.

FISHING SPORTS**✿ Judging Monday, July 15, 2019**Exhibit Suggestions:

- Fish identification. Describe the habitat and food needs of selected Minnesota fish; develop a panel display explaining the life history of a fish; create a model or exhibit identifying the parts of a fish.
- Fishing Knots. Identify how and where each knot is used; fishing equipment which is made or repaired such as lures, fishing rods and reels, ice fishing rig, or other fishing equipment;
- Safety practices and techniques that are related to fishing or boating.
- Examples of how water quality affects the fish eco-system.

FLOWER GARDENING**✿ Judging Monday, July 15, 2019**Requirements:

- Label each container according to kind or variety.
- Outdoor living flowers and plants are to be exhibited in this area (including Outdoor Fairy Gardens)
- Live plant material will be accepted if it can be maintained in a fresh condition with ease.

Exhibit Suggestions:

- When exhibiting cut flowers, we suggest:
 1. three stems of one variety of annual flower, or
 2. one stem of a hardy perennial, or
 3. one stem of summer flowering bulbs, or
 4. one blossom of a tea rose, or
 5. one stem of a hardy shrub rose.
- Flower bouquet or arrangement on any theme.
- Display of dried flowers with a card explaining the drying method.
- My Flower Garden - Exhibit on poster board, not to exceed 22 x 28". Include a plan of the garden drawn to scale (see Flower Gardening Bulletin, page 3), the correct variety name and pictures (or photographs) of the flowers grown. Be prepared to discuss the process from soil preparation to blooming.
- Educational Exhibit showing the principles of propagation or reproduction, nutrition, culture and physiology (how a plant lives and grows).

FOODS AND NUTRITION

✿ Judging Monday, July 15, 2019

Requirements:

- Exhibit may be food items and/or displays.
- Exhibitors should be prepared to discuss with the judge, references and information sources, nutritional values, methods, menu, costs, etc., as appropriate to that exhibit.
- The exhibit may be a poster, mobile, three-dimensional display, scrapbook, balance beam, charts, journals, pictures, slides, equipment, supplies, photographs, puppet play, skit, judging comparison, taped interview, file of ideas, research study, etc.
- Pictures, food models, plaster, plastic, papier-mâché, etc., are preferable to perishable foods in an educational exhibit. Perishable foods should be used only if they add to or help explain the educational exhibit. If perishable food is a part of the exhibit, the food is to be brought just for judging.
- Exhibits containing perishable foods, which will be discarded, must include a colored photograph of the food. The photograph should be taken prior to the County Fair and attached to the display. This photograph and a 3x5 note card listing nutrition information and the recipe will be displayed at the exhibit instead of the food.

Exhibit Suggestions:

- One serving of a nutritious food (vegetable or fruit dish, snack, bread, dairy, etc.). Include 8½ x 11 poster showing nutritional value, recipe, and a photo of the food.
- Study of nutrients needed for yourself or someone else, using the dietary guidelines and MyPlate.
- Make a food or fitness plan for yourself or someone else and show how it relates to nutritional and energy needs. (Example: an athlete on a volleyball team, a teen who doesn't have a lot of time).
- Adapt a recipe(s) to show healthier ingredient choices.
- Study of how physical fitness and/or food choices are related to disease (such as: cancer, heart disease, osteoporosis, diabetes, etc.).
- Study of labels from similar food items, comparing important nutrient content like fat, fiber, and sugar.
- Exhibit showing food and/or kitchen safety.
- Nutrition/food science experiment.

FOOD PRESERVATION

✿ Judging Monday, July 15, 2019

Requirements:

- Exhibitor must be enrolled in Food & Nutrition project.
- All recipes, procedures, and times followed must be according to current USDA and/or National Center for Home Food Preservation recommendations.
- All food preservation exhibits must be labeled with a 2" x 3" label. Labels to include county, name, grade, product, style of pack, processing method (boiling water bath or pressure canner),

date, processing time, **date processed and source of recipe.**

Pressure canned items indicate dial or weighted gauge and how many pounds of pressure used.

- Jars must be heat-tempered glass canning jars.
- All jars must be sealed. Leave screw bands on two piece jar lids. Jellies and jams must be covered with lids.
- Use pint jars for fruit, vegetables, and fish; one-half pint jars for jams and jellies; one quart jars for pickled products.
- Jellies and jams must be processed in boiling water bath according to USDA and/or University of Minnesota food preservation publications, available through the Extension Office. Note: Paraffin is not acceptable.
- No artificial food coloring should be added to entries.
- Dried foods may be stored in glass jars, self-sealing plastic bags or airtight plastic bags. The quantity of dried foods should be: fruits and vegetables - 1/2 cup or more of each, herbs - 1/4 cup of each in whole leaf form, **3 strips of meat** (i.e. venison or beef jerky).
- Preserved within the past year.

Exhibit suggestions:

Suggested exhibits include one (1) jar or one (1) bag of product:

- Vegetables or fruits
- Jams, jellies, preserves, low-sugar spreads (no frozen)
- Pickled products (fermented or added acid, including pickles, sauerkraut, relishes, salsa).
- Meats, poultry and/or fish. (Fish must be in pint jars.)
- Dried vegetables or dried fruits.
- Dried herbs.
- Beef or venison jerky.
- Food science experiment or educational display.

FOREST RESOURCES

✿ Judging Monday, July 15, 2019

Requirement:

- Exhibits should be mounted on cardboard or other sturdy material.

Exhibit Suggestions:

- Collection of leaves or needles with twigs, identified with their common name. Common name should be printed near the identified leaf/needle.
- Photographic display of forest products--include the name of the product/use to identify the photograph.
- Display showing tree growth; annual ring cross-sections; make a seed collection.
- Prepare a report with drawings about your favorite tree--include name of tree, drawings or pictures of tree, facts and uses of the tree, and other appropriate information.
- Display showing layers of the forest; renewable versus non-renewable resources; forestry careers; leaf and twig identification; taxonomic keys; tree road maps.
- Display showing forest succession; tree and forest measurements; fire's effect on the forest; how trees grow; forest types; harvesting methods; entomology of the forest; pathology of the forest.

- Display showing forest products, including maple syrup production; wood products; Christmas trees or other forest resources (recreation, wildlife, etc.).
- Display showing specialized woodland management, including shelterbelts/windbreaks and urban forestry.

FRUIT

☘ Judging Monday, July 15, 2019

Requirements:

- Include a 3 x 5 index card listing the varieties of fruit, name and club of exhibitor.
- Exhibitor should bring 6 items of one variety of fruit.

Exhibit Suggestions:

- Display showing a comparison of several varieties of the same fruit (labeled); display using a branch to illustrate proper pruning of fruit trees and explaining the process; illustrate the many uses of fruits (fresh, jams, juices, cooking, baking, salads and recipes); illustrate the use of fruits as natural dyes.
- Educational display illustrating diseases (actual specimens) or insects (actual specimens) and methods of control.

GEOLOGY

☘ Judging Monday, July 15, 2019

Requirement:

- Attach specimens securely to a backboard and display in a glass-topped case of the same model as used by the entomologists (approximately 19" x 16.5" x 3"). Specimens should be approximately 2" x 2". Label each specimen using the label described on page seven of the Geology Manual. Size of label may be reduced to fit display case, if needed. Attach specimens so they will not fall if case is set on its edge. Member must have knowledge of how specimens are identified as to rock or fossil type.

Exhibit Suggestions:

- Display of birthstones, a rock plate, or an egg carton collection (see geology bulletin), six silly silicates.
- Rocks, minerals, or fossils from within Minnesota or on a definite theme such as metamorphism, weathering, quartz minerals, ores, or a theme of your own choosing.
- Polished rock types used to make decorative items such as paperweights and jewelry; include an unpolished specimen of each rock type.
 - Educational exhibit showing the "science how's and why's" dealing with the principles of geology and natural earth sciences.

GLOBAL CONNECTIONS

☘ Judging Monday, July 15, 2019

Exhibit Suggestions:

- Poster or report explaining what you learned as a result of a cross-cultural home stay experience.

- Report or display on mission trip, school trip, pen pal, etc.

HEALTH

☘ Judging Monday, July 15, 2019

Exhibit Suggestions:

- Report on a health issue (i.e. alcohol and chemical abuse, eating disorders, sexuality, sexually transmitted disease, pregnancy, stress, depression) of your choice.
- Report on a community project that you conducted on a health issue. Include objectives, audience, timetable, program description, materials, community support and evaluation.

HOME ENVIRONMENT

☘ Judging Monday, July 15, 2019

Requirements:

- Members exhibiting in this project should be prepared to discuss and/or have written information to show how their exhibit applies to the home, how and where it is used or displayed, and all details of how it was made or selected. They should know about the subject matter of the specific exhibit, the materials used, how and why it was done, costs involved, and alternatives considered
- A photograph and report showing its place in the home environment must accompany exhibits that are items for the home.
- Pictures and wall hangings that are exhibited should be finished and ready to hang.
- Purchased kits are allowed to be used.

Exhibit Suggestions:

- Finished or refinished wood item, or reupholstered furniture.
- Repaired, restored, or remodeled item for the home.
- Chart and/or plan for the care and maintenance of the inside or outside of the home including daily, weekly, monthly, and yearly jobs.
- An article remade or reclaimed for the home with a link to the past, including history of use.
- Description, diagrams/photos, samples and cost of a redecorating or remodeling plan showing before and after.

INDOOR GARDENING

☘ Judging Monday, July 15, 2019

Indoor living flowers and plants are to be exhibited in this area (including Indoor Fairy Gardens)

Requirements:

POTTED PLANTS:

- Flowering plants should be in bloom.
- Foliage plants should be in vigorous condition.
- Plants should be grown in the exhibited container for at least one month prior to fair.

PLANTS IN HANGING CONTAINERS:

- Container for the plant should not be more than 10" in depth or diameter.
- Maximum total length of hanger and plant should not exceed 4'
- Evaluation will include appropriateness of plant for a hanging container, condition, arrangement, hanger to container to plant relationship, and plants being well established.

TERRARIUMS:

- The terrarium may not exceed 24" in any dimension.
- Terrarium should be planted four to six weeks ahead of exhibiting.
- Members must be able to identify all plant materials in their terrariums, know why they were selected for use (quality, container and design).

Exhibit Suggestions:

- Two or more varieties of house plants with common and botanical name.
- Terrarium or dish garden: consider terrarium material of general terrarium plant of native and woodland plants of Minnesota.
- Educational exhibit showing plant propagation, plant history, forcing bulbs, life cycle of a flowering plant, etc.

LAWN AND LANDSCAPE DESIGN

☘ Judging Monday, July 15, 2019

Requirements:

- Posters showing physiology of a tree are not eligible for State fair
- Evaluation will be based on design, neatness, plants used, and story told.

Exhibit Suggestions:

- Landscape Plan (not to exceed 22" x 28") drawn to scale with plants and major areas of yard labeled; should show changes and future plans. Photographs showing "before and after" views are desirable.
- Design a project meeting for this project area (in booklet form) including what you would teach, how you would teach it, goals of your meeting, activities you would include, and visual aids you would use.

NEEDLE ARTS

☘ Judging Monday, July 15, 2019

Requirements:

- Each exhibit must include a consumer information tag, if appropriate, with the following information: pattern company name and number, techniques, fiber content, cost, and care instructions.
- **Participant encouraged to bring instructions/pattern**
- If item is framed, a wall hanging, or to be displayed on a wall, it should be finished and ready to hang.

Exhibit suggestions:

- Any item made by the member using the techniques of knitting, crocheting, embroidery and crewel, counted cross stitch, needlepoint, hardanger, handquilting, weaving, appliqué, latchhook, tatting, other.
- Consumer Product Analysis: Comparison and evaluation of materials, supplies, or accessories used for a needle arts technique.

- Historical/Cultural Study: Story, poster, or display about a needle arts heirloom from your family or local history museum. Exhibit must include information about how item should be preserved.

PET SHOW

☘ Judging Thursday, July 18, 2019 5:30 p.m.

☘ Held under Canopy at end of 4-H Building

Requirements:

- PET MUST BE DOMESTICATED -

- A cat or dog may be shown in the pet show or the cat or dog show, not both.
- Animals that were raised as a part of another project may not be shown in the pet show.

Exhibit Suggestions:

- Educational display explaining pet care, health, nutritional needs, etc; exhibit must include a photograph of 4-Her with their pet.
- Pet related exhibit, i.e. photo album, history of species display, animal care display.

PHOTOGRAPHY DIGITAL/FILM

☘ Judging Monday, July 15, 2019

☘ You may bring up to Five (5) Exhibits

ELEMENTS OF PHOTOGRAPHY

This exhibit will focus on what makes a good photograph. Only overall image corrections are allowed including: cropping, exposure correction, color saturation, contrast, sharpening, and black and white or sepia conversion.

Equipment:

Use any device capable of capturing a photographic image to be printed: digital or film camera, cell phone, tablet or drone may be used. Drone operator must meet age requirements for use of a drone.

Exhibit Ideas:

1. Photo Story:
 - Show a town's history or a family history. This could include photos of historic buildings, old photos copied from the historical society or library, family or individual portraits, etc.
 - Develop a documentary of another of yours or a friend's 4-H project or of your 4-H club's community service project
 - Document environmental issues such as the plight of pollinators, pollution, soil erosion, or the steps taken to improve the environment
 - Present a day in the life of – farm or city youth, a local professional person such as a school nurse or a firefighter, law enforcement office, or other interesting personality
 - Exhibit a series of photos on how to make or do something
2. Common Theme or subject:
 - Display a series of 3 to 7 photos of a common subject such as people, buildings, landscapes, animals, seasons, action, nature, weather, close-ups, etc.

3. Photographic Elements:

- Display a series of 5 to 7 photos that illustrate some photographic element such as composition, lighting, shutter speeds depth of field, etc.

4. Panorama:

- Show a single image created in camera or a triptych (set of 3 photos intended to be used together) of several images created by moving the camera

PHOTO MANIPULATION

Entries in this category must involve editing with computer software such as Photoshop, Lightroom, IPhoto, Picasa, Gimp, Pick Monkey, Pixi, Microsoft Publisher, etc.

Equipment:

Use any device capable of capturing a photographic image to be printed: digital or film camera, cell phone, tablet or drone. Drone operator must meet age requirements for use of a drone. A computer or tablet is required for photo manipulation.

Exhibit Ideas:

1. Photo Series:

- Make a series of 5 to 7 photos that illustrate a common theme such as environmental issues, plight of pollinators, how to do something, etc. Photos in this category must involve digital editing

2. Enlarged Photo:

- Show a 5"x7" or 8"x10" print that has been digitally enhanced and illustrates software skills. An unaltered 4 x6" print must be attached to the back of the exhibit

3. Publications:

- Show calendars, brochures, posters that are created using computer software

4. Photo Novelties:

- Display mugs, puzzles, blankets, or other media on which photos have been printed

5. Slide Show:

- Make a compilation of photos with titles, voice-over or music background. For judging, exhibitor can show project on 14 x22" poster board, computer or tablet.

Requirements:

- All photos exhibited must have been taken/produced/enhanced by the exhibitor during the current year
- The exhibitor's name, club, county and exhibit class should be clearly printed on the back of the exhibit.
- Unaltered 4"x6" photos must be attached to the back of any exhibit in the "Photo Manipulation" category.
- For safety, no picture frame or glass is allowed

Exhibits with multiple photos should use 4"x6" prints

- Enlarged photos should be 5"x7" or 8"x10"
- Photos should be mounted on mat board or poster board using neutral colors (white, tan, grey or black). Do not use construction paper or colored paper.
- Exhibits should reflect the appropriate size for the item designed, e.g. the photos used for an ornament, a calendar, a poster, or brochure would require different sized photographs.

- Use 14 x 22" board for 5 or more photos in an exhibit. Cut smaller boards for enlargements

PLANT AND SOIL SCIENCE

☘ Judging Monday, July 15, 2019

Exhibit Suggestions:

- An educational display illustrating one of the following ideas: plant reproduction, soils, plant growth factors, plant characteristics, growing and using plants, plant growth and food production, examples of a plant disease, and the life cycle of that disease explaining causes and control.

POTATOES

☘ Judging Monday, July 15, 2019

Requirement:

- Twelve potatoes (this year's crop) similar in size with variety identified on a 3 x 5 card.

Exhibit Suggestions:

- Educational display illustrating diseases and control, methods of mulching and reasons, causes and effects of sun scald.

QUILTING

☘ Judging Monday, July 15, 2019

Requirement:

- Each Item should include information listing: pattern book & name, fiber content of fabric & batting, and care instructions. If not quilted or hand tied by the 4-Her, state who tied or hand/machine quilted the final project. (Note: depending on skill level of 4-Her, someone else may do the final quilting).

- Item may be either machine quilted, hand quilted, or hand tied.

Exhibit Suggestions:

- A quilted item, any finishing technique acceptable.
- Repair of an old quilt.
- A display showing the history of quilting, fabrics and patterns used in quilting, or a topic of your choice.

ROBOTICS

☘ Judging Monday, July 15, 2019

Note: The goal of the 4-H robotics program is for the 4-H members to explore science, technology and engineering through designing and building a functioning robot. The robot can be either programmable or remote controlled. The robot can be created by an individual or a group.

Requirements:

- Exhibits must be labeled with name, and county on all pieces of the exhibit.
- Include a description of the robots ability to sense, follow a plan and complete an act
- Exhibits may have a one page report explaining the function, purpose and construction of the robot.

Exhibit Suggestions:

- A robot, a display, diagrams of programming, booklets, etc.

RUBE GOLDBERG CHALLENGE**See Engineering Design Challenge****SAFETY****✿ Judging Monday, July 15, 2019**Exhibit Suggestions:

- Explore a safety issue of your choice. Ideas include traffic safety, home safety, farm safety, community safety, fire prevention, and first aid kit. Include an item for display representative of project activity.
- Prepare a First Aid Kit and be able to explain the reasons for the items you included.
- Exhibit may be display, binder, poster, etc.

SELF-DETERMINED**✿ Judging Monday, July 15, 2019**Requirement:

- This Division is intended for an exhibit that doesn't fit in any other project area. This is not a "catch-all" category but rather intentional self-directed learning.
- A team may consist of not more than three (3) individuals from the same club or from up to 3 different clubs from the same county.
- **To be eligible for State Fair, the member(s) must be able to discuss the process of selection, planning and management of a self-determined learning experience.**

Exhibit Suggestions:

- Poster, display, or notebook showing the process of doing the activity/project
- Display of finished work

SHOOTING SPORTS / WILDLIFE MANAGEMENT**✿ Judging Monday, July 15, 2019**Requirements:

- Exhibit may not exceed 12" deep x 24" wide x 36" high, except that a gun, bow and arrow, or taxidermy item may be included in a display and will not be considered in the calculation of dimensions.
- MN and 4-H regulations for handling and storing firearms must be followed.
- No explosive materials are allowed. Arrows must be secured in such a manner so as to prevent their points or edges from being a hazard. Only sporting firearms and bows will be exhibited, displayed or demonstrated.

Exhibit Suggestions:

- Safety techniques applied to shooting activities (e.g., range commands and range safety, eye and ear protection, cleaning a firearm, dressing for safety-first aid, survival skills, etc.).

- Shooting Skills (e.g., basic safety rules, basic parts and functions of each piece of equipment, care and maintenance, accessories, position, etc.).
- Display illustrating key field identification features of a group of game animals (e.g., distinguishing various species of puddle ducks, differences among five look-alike species, of upland game birds, etc.).
- Leadership skills learned in your shooting sports club.
- History and nomenclature of trapping, hunting, and firearms.
- Sportsmanship: Ethical behavior and responsibility, effects of values to wildlife of modern game laws and regulations.

SHOP**✿ Judging Monday, July 15, 2019**Requirements:

- Exhibit must not take up more than 20 square feet of floor space.
- Attach a card to all exhibits describing construction materials, unusual joinery finishing techniques, and total cost.

Exhibit Suggestions:

- Article made of wood or metal
- Wooden or metal article repaired, finished, or refinished.
- Display on properties, uses, or processing of wood.

SMALL ENGINES**✿ Judging Monday, July 15, 2019**Exhibit Suggestions:

- Small engine that has been reconditioned or repaired.
- A device constructed by a member utilizing a small engine.
- Display on the parts of an engine, etc.
- **An educational display of some aspect of small engine use, care, reconditioning, etc.**

TRACTOR**✿ Judging Monday, July 15, 2019**Requirements:

- Check space requirements for large exhibits with staff. Large exhibits may be displayed outdoors
- Fuel must be removed from exhibits for display.

Exhibit suggestions:

- A poster, video, display, notebook, representing your project learning.
 - Restored, reconditioned, rebuilt tractor.
- Exhibit may represent learning about tractor safety, history, use, purchasing decisions, establishing a custom business with your field or lawn tractor, or material prepared to train others.

VEGETABLE GARDENING**✿ Judging Monday, July 15, 2019****Requirements:**

- Label vegetables with proper variety names.
- When exhibiting large size vegetables include one sample (cabbage, squash, melon, pumpkin, cauliflower, swiss chard, etc.); medium size vegetables include 3 samples (tomatoes, onions, peppers, turnips, beets, cucumbers, kohlrabi, carrots, etc.); small size vegetables include 12 samples (snap beans, lima beans, green beans, green peas, etc.).
- Do not use potatoes or cherry tomatoes in the exhibit.
- If selected for State Fair: vegetable exhibits taken to state fair must contain six different vegetables or be an educational display.

Exhibit Suggestions:

- Collection of three or more different vegetables, (use the guide above).
- Display showing three varieties of the same vegetable.
- Educational display showing some aspect of vegetable gardening (e.g., the difference in development between thinned vs. unthinned vegetables).
- A mini garden planted in a tub, pail, or large planter.

VETERINARY SCIENCE**✿ Judging Monday, July 15, 2019****Requirements:**

- Exhibit may include models, diagrams, actual items and/or written articles.
- Do not bring live animals

Exhibit Suggestions:

- Diagram of your favorite animal with anatomy
- Display or binder on diseases of animals, ringworm, heartworm, displaced abomasums, hip dysphasia, scours, etc.

VIDEO/FILMMAKING**✿ Judging Monday, July 15, 2019****VIDEO/FILMMAKING**

VIDEO/FILMMAKING – PRODUCTION TEAM (2-3 members per team/can come from different schools and/or grades)

Equipment: **Any electronic device capable of capturing a video image video camera, digital camera, DSLR, time lapse camera or trail camera, cellphone, tablet, Go Pro or drone with attached camera (operator must meet age requirements to use a drone).**

Requirements:

- All video/filmmaking exhibits must be made by the exhibitor OR By a production team of which the exhibitor must be a member
- The exhibitor's name, grade, and club must be clearly printed on all exhibit pieces- The video/filmmaking exhibit SHOULD NOT EXCEED 10 MINUTES

- All video/film footage exhibited must have been made/created DURING THE CURRENT 4-H YEAR. When appropriate, (i.e. historical sequences) older video clips can be used, otherwise video content must have been taken in the current 4-H year
- Video/film must be presented on DVD, USB, flash drive or data CD
- Video/film needs to be in presentation form, including a title and credits
- It is encouraged that when developing a 4-H video/filmmaking exhibit, members will develop skills beyond the classroom
- The video/film must be original material, portions from other sources must be documented and have a copyright release, including music. Any video/film exhibit, which appears to contain copyrighted material, including music, will not be publicly displayed unless the exhibitor has written permission from the producer to use the material in the video/film.
- A computer must be brought for viewing the video/film during the conference judging, otherwise other arrangements need to be made in advance with the 4-H staff
- Video/film must be playable on Windows, use file format including .WMV, .FLV and .MPEG, .AVI, .MOV, .AVCHD, .MPEG-1, .MEG-4, as well as a playable DVD.

Note: This is not a slideshow (see Manipulated Photography for slideshow)

Exhibit Ideas:

- Showcase various video/film techniques
- A selected subject. Include a short storyboard or outline
- A poster that illustrates how a video/film camera works, or how to care for video/film equipment, illustration of computer video/film creation, etc.
- A video/film made by blending computer technology and traditional camera created video/film.
- A video/film using data from trail camera or time lapse camera (stop action video) or drone with attached camera (operator must meet age requirements to use a drone).
- A video/film using Claymation or stop action
- Document environmental issues such as the plight of pollinators, pollution, soil erosion, or the steps taken to improve the environment

WATER / WETLANDS**✿ Judging Monday, July 15, 2019****Exhibit Suggestions:**

- Display showing the five unique physical properties of water; the hydrologic or water cycle; the quantities and uses made of water by families, municipalities, industries, animals, and plants;
- Display on water quality or management--pollution, conservation, water quality standards, etc.

WILDLIFE BIOLOGY**☘ Judging Monday, July 15, 2019****Exhibit Suggestions:**

- Display showing the life cycle of your favorite wild animal.
- Birdhouse, birdfeeder, or homemade bird book of local birds.
- An animal book of wild animals of Minnesota--describe habitat, food, and shelter needs.
- A wildlife management plan--show practices related to land use and forest management for wildlife.
- Basic concepts of Wildlife Management (waterfowl wingboards, birdhouse trails, game food habits, game animal habitat requirements, history of game management, etc).

YOUTH LEADERSHIP**☘ Judging Monday, July 15, 2019****Purpose:**

Youth Leadership is a project area that requires the member to discover their skills and then develop those skills and share them with others. This might happen individually or with a group.

Guidelines: Taking charge, leading a service project, and sharing the steps from beginning to end would be one example of a youth leadership project. Some ways to present your work would be (but are not limited to): three sided display boards, scrapbooks, and posters.

Building exhibits should be a horse related display of something the member has made, learned or done. Exhibits may include posters, photographs, models, scrapbooks, essay and/or other articles that show what was learned. May enter up to three exhibits. Eligible for State 4-H Horse Show Trip.

Judged with building exhibits

- Y – 50 – 1* Grades 9+
- Y – 50 – 2* Grades 6-8
- Y – 50 – 3 Grades 3-5

Horseless Horse offers the opportunity to study and learn about the horse for members that do not own or lease a horse.

Objectives:

1. Gain knowledge of major breeds, colors, gaits and safety
2. Enhance your appreciation for the value of the horse and give you an understanding of care requirements.
3. Develop sportsmanship, responsibility, cooperation, decision making skills and public speaking skills

Requirements:

-You must be enrolled in the Horseless Horse project (Exploring Animals-Horse) to enter an exhibit in county or state competitions.

-You must keep regular 4-H project records for you Horseless Horse Activities.

Eligibility:

-If the member's family owns or leases a horse they are not eligible to compete in the Horseless Horse Project. They should enroll in the Horse Project and enter a Horse-related exhibit.

County Fair Exhibits:

You may enter an exhibit at your county fair. Exhibits may include posters, displays, photographs, models, scrapbooks, essay and/or articles. Exhibit should show or explain something the member has made, done or learned in the project. There are no specific dimensions. Scoring is done in three areas:

1. Exhibit quality: 25% The exhibit attracts attention and holds interest. This includes the workmanship of the exhibit, color choices, layout, spelling and grammar, and construction methods.
2. Knowledge and the ability to explain: 50% The member is able to demonstrate a depth of knowledge in the subject area and is able to answer questions.
3. Educational Value: 25% The exhibit is able to convey its message to an observer. The message is clear and focused on the subject area. The exhibit displays a creative way of educating the observer. Judges are not required to be from the 4-H Horse Judges List. Use of a 4-H Horse Judge is recommend whenever possible.

State Horse Show

-County winners may advance to the state competition at the State Horse Show. The number of trips may vary from year to year. Exhibits are conference judged in small groups using the scoring described above.

-Specific rules on eligibility, quotas, registration, dates, procedures and awards are available at the Extension Office of the Horse Project website (www.mn4horse.com).

HORSE RELATED

Building exhibits should be a horse related display of something the member has made, learned or done. Exhibits may include posters, photographs models, scrapbooks, essay and/or other articles that show what was learned. May enter up to three exhibits. Elixible for State 4-H Horse Show Trip.

Exhibits are judged with building exhibits

Y – 40 – 1 Grades 9+

Y – 40 – 2 Grades 6-8

Y – 40 – 3 Grades 3-5

Horse Related is a part of the Horse Project where you create an exhibit that relates to horses. You will learn about horses and will have the opportunity to create an exhibit to demonstrate what you have learned.

Requirements:

1. You must be registered in the Horse Project to enter an exhibit in county or state competitions.
2. You must keep regular 4-H project records for you Horse Project activities.

Eligibility:

1. Horse Related competition is open to anyone enrolled in the Horse Project. If the member's family does not own or lease a horse, they should consider competing in the Horseless Horse Project.

Exhibits:

1. The standards for Horse-related exhibits are the same as Horseless Horse exhibits. Horse-related exhibits are judged in different classes than Horseless Horse exhibits.
2. You may enter Horse-related exhibits and participate with your horse at you county qualifying show.
3. Trip quotas will be published each year prior to the State Horse Show.
4. Trips will be given first to the highest ranking horse related exhibitor with a blue award NOT bringing a horse to the state show. Then, if needed to fill the quota, those bringing a horse may also bring their horse related exhibit. Specific rules on eligibility, registration, sates, procedures and awards are available at the Extension office of the Horse Project website (www.mn4horse.com).

Requirements:**- Horse Helmet Policy:**

All 4-Hers participating in any 4-H sponsored mounted activity are required to wear properly fastened ASTM/SEI approved protective headgear. Helmet use is required when mounted. This policy also extends to 4-H volunteers when they are working with 4-H youth in a 4-H volunteer role during mounted activities.

- Additional information is listed in the 4-H Horse Project Rulebook (purchase at the Extension Office or view on the 4-H Horse website (www.mn4horse.com/)).

- Classes may be combined or split depending on number of entries.

BARN RULES:

1. Horses must be led to and from the arena.
2. Members are responsible to clean up and dispose of manure in barn or when horse is being led outside of barn.
3. Horses must remain in designated livestock areas.
4. Feed, Bedding and tack must be stored in designated areas.
5. Horses must remain on grounds, unless excused by veterinarian or show officials. If there isn't enough space available for all horses to be stalled (based on the number of horses registered to be shown) appropriated adjustments will be made.
6. Feed and water pails must be securely attached inside stall at horses chest level. Hay bags/nets will be permitted if properly hung in stalls. Hay can be fed off ground without herdsmanship penalty.
7. Emergency contact information must be displayed behind stall card for veterinary review.

SHOW RULES:

1. Lot Divisions:
Novice (Walk, Trot): This division is meant for novice members with minimal experienced (Recommended for members with limited exhibiting experience, individuals who have difficulty controlling their horse at the lope, or are uncomfortable loping). Class does not qualify for State Horse Show or other awards. The same horse may be used in the Novice division for one rider and in a qualifying division with another rider.
2. If showing in novice games or pleasure, an individual loping, cantering or running will be disqualified.
3. An exhibitor showing novice classes will be required to exhibit in that classification (Pleasure or Games) for all classes in classification. Example: If riding one Novice Pleasure event you must ride ALL Novice pleasure classes. If you ride one Novice Game event you must ride ALL novice games. However you may ride Novice Pleasure and Regular games or vice versa.
4. Any horse to be shown at a 4-H show must be enrolled as a 4-H project animal and be properly identified on the 4-H Horse Identifications form. This form must be submitted to the Extension Office on or before May 15th of the current year. If substitution, for any reason, occurs after that date, the horse is ineligible for the State 4-H Horse Show or other awards and premiums.
5. A member must either own or lease the mare or gelding shown. The same horse may be used as a project animal by more than one member as long as all requirements are met. The 4-H member should have primary responsibility to provide care, feeding, grooming, training and exercising beginning no later than May 15th.
6. No stallions may be entered. Male foals under one year old may be exhibited.
7. Members are allowed to use the same horse or pony as a project animal but can only be shown once per class.

8. Classes will be judged under the Minnesota 4-H Horse Program Rules.
9. Exhibitors may show more than one horse. Stalling for 2nd horse will be provided based on availability. Cloverbud horses can be stalled at the fair as stalling availability allows.
10. Horses and ponies must be checked in by 7 p.m. on Tuesday and are required to stay until 4:00 on Sunday. Early release of animals may only be approved by the veterinarian or show official.
11. Members, parents, family and friends are expected to exhibit courteous behavior and comply with show and barn rules.
12. Cloverbud participants must have an adult or junior leader/handler in the arena at all times.
13. Members must register for classes along with other project exhibit registrations.

FAILURE TO COMPLY WITH RULES MAY RESULT IN DISQUALIFICATION, SACRIFICING OF TRIPS OR AWARDS AND/OR FORFEIT OF PREMIUMS.

AWARDS

1. CLASS Champion awards will be presented for performance and timed event categories.
 - a. Performance championship classes include exhibitors that have received a first, second or third blue in regular age division excluding Novice and Cloverbuds. Performance Classes include:
 1. Halter Showmanship
 2. Western Pleasure
 3. Western Horsemanship
 4. Trail Class
 5. English Pleasure
 6. English Equitation
 - b. Timed Champion classes will be determined by the times received in the timed classes. One horse and rider combination. Timed classes include:
 1. Pole Weaving
 2. Key Hole
 3. Barrel Racing
 4. Jump Figure Eight

In each of the performance and timed classes listed above the class champions will be awarded.

Members exhibiting same horse in games and pleasure need to pick at entry time in order to determine trip allocation.

Horse project exhibitors (excluding Cloverbuds) are eligible to participate in the Ribbon Auction held on Saturday morning. See Livestock Auction section for details.

2. AWARDS & SPONSORS

- Overall Grand and Reserve awards sponsored by Claremont Farmers Mutual Fire Insurance, Kasson, MN
- Outstanding Project Member will be awarded based on application, horse project and achievement program records and SA. Sponsored by Dodge County Sheriff's Posse.

3. STATE HORSE SHOW TRIPS, OVERALL GRAND AND RESERVE CHAMPION PERFORMANCE AND TIMED HORSE AND RIBBON AUCTION

The following point system will be used to calculate the State Horse Show Line Up and Grand and Reserve Awards.

Timed and Performance Classes:

- Points are totaled for each horse and rider combination
- Points are awarded **based on the results of combined classes (straight time)**
- Points are not calculated on Novice classes
- Points are only given on Blue Ribbon rides
- Points are awarded for the first six placings **of combined classes (straight time)**
 - o First Place Blue = 6 Points
 - o Second Place Blue = 5 Points
 - o Third Place Blue = 4 Points
 - o Fourth Place Blue = 3 Points
 - o Fifth Place Blue = 2 Points
 - o Sixth Place Blue = 1 Points
 - o Non-placing Blues = 1 Point
 - o Red or White ribbons with any placing will not be awarded any points

- Both English and Western Pleasure classes will ride a combined Champion class where the top 3 Blue Ribbon riders from each division (except Novice) will ride one combined class. The riding test in these classes will be at the judge's discretion. The points for this class will be scored as a combined class NOT by grade class. Champion Class placings will be used to resolve any ties in scoring. If a tie still remains after Champion classes are placed, the Tie Breaker will default to the Showmanship score.

Grand and Reserve Performance and Timed will be awarded to the highest two point earners in each of these categories. The trip quotas are determined by the State 4-H Horse show prior to the start of the show. The distribution of trips between performance and games will be determined based on entries in each category.

Horse project exhibitors (excluding Cloverbuds) are eligible to participate in the Ribbon Auction held on Saturday morning. See Livestock Auction section for details.

Exhibit Suggestions:

- Items constructed (such as feeding systems or show equipment) or science exhibits focusing on one of the four divisions listed above.
- These projects may be enhanced with 3-dimensional displays, posters or notebooks

State Fair trips will be available. Exhibits will be judged during Livestock Weekend and 4-H'ers may exhibit both an animal and a Science of Animal Educational Exhibit.

This new project is modeled after the 2015 Poultry exhibits that resulted from the Avian Flu outbreak when birds were not allowed to be exhibited. Be creative!
