At this time, each Exhibitor or Concessionaire will be required to present a Certificate of Liability Insurance, Minnesota Sales Tax information (if applicable or disclaimer).

The Dodge County Agricultural Society is in the business of selling commercial space and we recognize that similar exhibits may not want to be located near each other. The Dodge County Agricultural Society, its board members, its sponsors, or the building supervisors are in no way responsible for any damages, losses to any property exhibited or used in exhibiting or by the Exhibitor or Concessionaire. It is the sole responsibility of the Exhibitor or Concessionaire to cover such losses or damages with her/his own insurance.

Each Exhibitor or Concessionaire will be required to show only the goods, services, or products described in his/her application. If the Exhibitor or Concessionaire does not occupy the space assigned, the Fair Management may

EXHIBITION OF LIVESTOCK, POULTRY IN MINNESOTA, SUMMARY OF STATE RULE

The Dodge County Fair management has adopted health requirements required or suggested by the state rule.

Livestock or poultry known by the exhibitor to have an infectious, communicable disease, or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd or flock may not be entered in an exhibition. **Warts and ringworm are considered communicable diseases.** Therefore, livestock affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.

All livestock will be inspected by the Official Veterinarian on the opening day of the exhibition and daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any livestock with symptoms or infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a show ring. This includes livestock with warts or ringworm.

All testing must be conducted prior to the exhibition, and a record of the test results on a test chart or Intrastate Certificate of Veterinary Inspection must accompany the tested animals. Livestock and poultry entered in a petting exhibit are not exempt from the exhibition rules if the animals are from more than one farm or there are other animals at the exhibit.

POULTRY

(ORIGINATING FROM MINNESOTA)

Except waterfowl and pigeons.

- Identified by leg or wing band.
- Negative pullorum-typhoid test within 90 days, or record of origin from a flock tested negative within the last 12 months.
- Turkeys must be tested at a laboratory for S. typhimurium and mycoplasmas, or have a statement of origin if less than 5 months old.

SWINE

(ORIGINATING FROM MINNESOTA)

All swine (including barrows) must have a negative pseudorabies test **within 30 days prior to the opening date** of the exhibition or originate directly from a Qualified Negative or Qualified Negative Gene-Altered Vaccinated herd.

Differential pseudorabies tests are approved for exhibition of Minnesota swine.

DOGS

Dogs over 6 months of age must be accompanied by a current Certificate of Rabies Vaccination issued by a Licensed Veterinarian.

HORSES

EIA (Coggins) testing is required for horses to be exhibited at the 2024 Dodge County Fair.

The Dodge County Fair management highly recommends EIA testing (Coggins) for the protection of horses entering the fairgrounds or being exhibited at the 2024 Dodge County Fair.

CATTLE, GOATS, SHEEP

Animals must meet the Minnesota Importation requirements in addition to the requirements outlined in this summary. The Certificate of Veterinary Inspection must list the name of the exhibition as consignee. Certificates will be accepted if examination and tests are conducted within 90 days prior to the exhibition, except swine pseudorabies tests, which must be made within 30 days. The Gp 1 ELISA test is approved for importation of swine.

SPORTSMANSHIP POLICY – YOUTH STAYING OVERNIGHT ON FAIRGROUNDS – FFA CODE OF ETHICS

The Dodge County Fair management has adopted and will enforce the following Sportsmanship Policy, Youth Staying on the Fairgrounds Overnight Policy, and FFA Code of Ethics as they pertain to all 4-H, FFA, Show and Open Class exhibitors.

SPORTSMANSHIP POLICY

1. Release

All exhibits are to remain in place until the designated time of release. Exhibitors who remove their exhibits earlier than designated time of release will relinquish all premiums including ribbon auction premium, and trips won on that exhibit. The policy does not include those animals that are sent home by the Official Fair Veterinarian due to illness or safety issues.

2. Caring for Livestock

It is the responsibility of the exhibitor to care for their animal the entire length of the county fair. Caring for their animals includes maintaining clean water and feed, adequate and clean bedding and participation in club/chapter herdsmanship. It is also the responsibility of the exhibitor, not the adult, to do the work.

3. Grievance Procedure

Written complaint is given to Extension Staff/FFA Advisor.

A committee made up of the 4-H Livestock Superintendent, Representative of FFA and Representative of the 4-H Executive Board will look into the matter.

If the complaint is valid, personal contact followed up with written notice will be sent to the member and parents involved. If the situation does not change, the Dodge County Fair Board Secretary will be notified and the exhibitor will relinquish all premiums, including ribbon auction premium and trips won on that project.

YOUTH STAYING ON THE FAIRGROUNDS OVERNIGHT

No youth or parent will be allowed in livestock buildings after 12:00 a.m., without a written approval from the Dodge County Fair Board or the Dodge County Sheriff's Department.

PREMIUM AWARDS

All exhibitors' premium awards will be distributed by mail or other effective means as soon as possible following the closing of the Fair. Premium award checks should be cashed immediately upon receipt by the exhibitor.

EXHIBITS LEFT AFTER FAIR

Any person, corporation, or club owning any property left on the grounds after the close of the Fair without having approval of the Fair Board to leave the same, shall forfeit the same to the Fair Board for disposal.

The standards of the American Rabbit and Cavy Breeders Association will govern in judging of all breeds. All rabbits must be permanently ear marked, left ear.

No rabbit will be awarded first place unless it is positively worthy of the same in the judge's opinion. If only one entry, second place premium will be paid.

Junior rabbits will be defined as those less than 6 months of age. Intermediate rabbits are 6-8 months of age. Breeds maturing under 10 lbs., have no intermediate class. They are Jr. or Sr. only.
